- 12. कार्यक्रम का सारांश
- 13. Summary of the programme (Regional Language and English).

All the resource persons delivered their lectures well and the concept of the testing & evaluation was well received by the participants. It was observed that the duration of time for lectures was less compare to the quantum of input to be given and also the time and date of conducting the program was very hectic for the teachers as their annual exams was very near. However, the RP's and the participants worked hard and made the programme successful under the overall guidance by Dr. Pankaj Dwivedi (OIC, NTS-I).
